Electronic Speed Change

Silicon-damped Motor Suspension

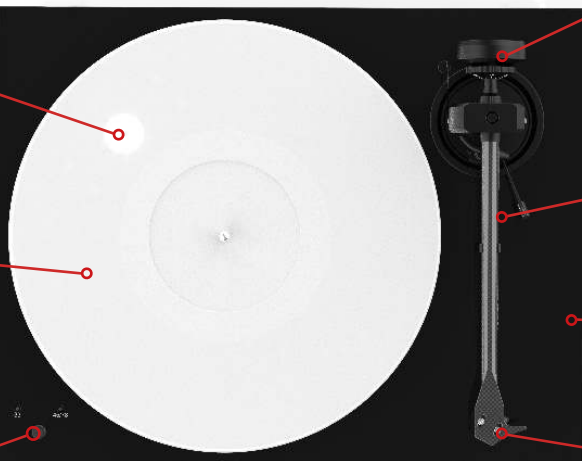

We have taken our beloved original Pro-Ject 1 design and improved it in every aspect.

A woman with blonde hair, wearing a white shirt, is shown in profile, carefully adjusting the tonearm of a black Pro-Ject turntable. The turntable is placed on a white surface. The background is a bright, out-of-focus window with vertical blinds. The text "We have taken our beloved original Pro-Ject 1 design and improved it in every aspect." is overlaid in the upper left corner in a bold, black, sans-serif font.

**Carefully isolated motor
